# Pavement Parking on Mill Rd

## What's the Problem?

- cars parked on the pavement force people into the road
- particularly dangerous for blind and partially sighted people, parents with pushchairs and young children, wheelchair users
- driving and parking on the pavement damages the pavement surface, causing trip hazards for pedestrians
- driving on the pavement is illegal
- pavements are for people not cars!

Here's a map showing all the places nearby where you can park legally:
